Sir:

SUBMITTAL OF  
DOCUMENTS PURSUANT TO DUTY OF DISCLOSURE

Pursuant to applicant's duty of disclosure 37 CFR Section 1.56, enclosed is a completed form PTOL-1449 as well as copies of the cited documents which relate to the above-referenced patent application. Since this document submittal is being presented prior to the first examination on the merits, no fee is due herewith.

The documents enclosed are as follows:

1. A press release from Abbot Laboratories in Abbott Park, Illinois, dated November 20, 2002, entitled: "Perclose A-T Eliminates Complex Knot-Tying Step for Easier Use and Rapid Deployment", which describes the latest generation in suture-mediated vessel closure systems.
2. An article from Heart Center Online entitled: "Hemostatic Device", which describes its use with relation to catheter-based procedures.
3. An article from Datascope entitled "VasoSeal ES Procedures" which describes a new arterial locator technology that provides an easier, surer method of Locating the Femoral Artery Puncture.
4. An article on "Questions and Answers" with regard to Vascular Sealing.

The listed documents are brought to the Examiner's attention because they are known to the applicant and/or the applicant's

attorney and may be considered by the Examiner to be material to his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein. Moreover, no representation is made that the brief descriptions of the references herein necessarily describe the most material aspects of the references. Further, by this listing, the applicant is not making any admission regarding the relative dates of the invention and listed disclosures.

Respectfully submitted,

David P. Gordon
